(Savings of \$400)

A three-year or five-year monitoring contract is required at a low monthly fee of \$29.95 (plus tax where applicable). All systems are fully warranted for the life of the monitoring contract. In an effort to keep our monitoring rates as low as possible, we ask that you set up your monitoring payment automatically through a checking/savings account debit or credit card payment. All terms are pending a basic credit inquiry with approved credit. Any permit fees (where applicable) due at signing.
